# NGI

Nagarjuna Group of Institutions (NGI) - an organization synonymous with scholastic distinction is built on values that are core to the academic setup of the current day and age while also imbibing in students a corporate acumen. In the last two decades, our institutions have achieved the perfect combination of state-of-the-art infrastructure and proficient human resources committed to providing professional education with an emphasis on innovation & research. Our competent faculty and staff are very passionate about shaping the pioneers of tomorrow and are advocates of a conducive and cordial learning environment. We firmly believe that the growth of the nation depends on the overall well being of our youth — in addition to academic excellence, our students are well-versed with human values and social responsibilities to ensure individual progress in line with national development. We look forward to being a part of your child's success story.

**TOTAL STRENGTH OF OUR SISTER INSTITUTIONS COMBINED**

# VISION

Leadership and Excellence in Education

# MISSION

- Driving to provide excellent educational opportunities that are responsive to the needs of the students. Providing quality, responsive education and skill based programmes.
- Equipping the students with the skills necessary to respond to the opportunities and challenges Associated with ever-challenging societal demographics.
- Empowering the students to meet and exceed challenges as active participants in shaping the future of our world.

# SRI. J.V. RANGA RAJU

## CHAIRMAN

Nagarjuna Group of Institutions,  
DIRECTOR - NCC Ltd.

Nagarjuna Group of Institutions has been a forerunner in recognizing the needs of the industry and integrating knowledge with professional inputs. NGI has been one of the most eminent institutions in providing renowned education today with its world-class facilities, students and alumni. By maintaining a team of core faculty members, who are constantly pushing the frontiers of knowledge, we ensure a futuristic approach that keeps pace with the changing trends in the professional world through our global perspective. Our primary commitment is to find the true potential of our students and equip them for the future, by providing them with the necessary skills, knowledge, and values. We achieve this goal through our unrelenting efforts to enhance Quality in Education, Research, and Diversity in our campus. I consider this a great opportunity, privilege, and an honour to lead such a progressive educational establishment. We at NGI help you shape your future by turning your dreams into reality, and prepare you to face the challenges ahead.

*Education is the most powerful weapon  
which you can use to change the world.*

- APJ Abdul Kalam

# **Your College – A change for the Better**

NCMS, the recent addition to the NGI has been established by Nagarjuna Education Society with an objective to facilitate the quality education in the field of Commerce, Management & Science. Keeping in view that "Knowledge is Power"; NCMS is trying to facilitate every student without who aspire to seek knowledge and flourish in his/her life.

The college is affiliated to Bengaluru North University & is located beside NH-44 and shares the 100-acre campus with Nagarjuna College of Engineering & Technology. NCMS provides excellent facilities, high-quality education along with skill certification courses. It offers undergraduate programmes in Commerce, Business Administration, Computer Application and Science streams. It also provides a postgraduate programme in Management, Commerce and Computer Science. The unique feature of education at NCMS is its strong focus on skill enhancement and holistic development of students.

# BEST PRACTICES FOR INFINITE POSSIBILITIES

**TAILOR MADE PROGRAMS**

**CENTRE FOR FOREIGN LANGUAGES**

**INDUSTRY AND ACADEMIA INTERFACE**

**MERIT SCHOLARSHIP**

# DEPARTMENT OF COMMERCE & MANAGEMENT

Department of Commerce & Management inculcate and practice the philosophy of learning-by-working. Students learn to apply conceptual knowledge through practice and application to identify, evaluate and resolve business management problems and situations.

## BACHELOR OF COMMERCE

B.Com Integrated with  
**BUSINESS ANALYTICS**

B.Com - Professional  
**VOCATIONAL**

B.Com (Regular)

## BACHELOR OF BUSINESS ADMINISTRATION

BBA Integrated with  
**BUSINESS ANALYTICS**

BBA Advanced

# BUSINESS ANALYTICS (B.COM)

B.Com Business Analytics is an integrated degree program. The course is designed to provide the students wide range of commerce and management skills. Business Analytics helps students cope with the current business scenario by enhancing their analytical skills as a business professional. The course focuses on the conceptual knowledge in the multiple disciplines of analytics. NCMS intends to imbibe value based education to the students that will help them function effectively in their business analytics career.

## VOCATIONAL COURSES (B.COM)

B.Com Voc is a skill based education in which students along with their Commerce subjects are trained vocationally in various fields such as Accounts, Finance, Taxation etc. This course is different from the traditional academic programmes as it deals with more application-based studies rather than focusing only on theoretical knowledge. This course enhances the employability of students by skilling them to the industry need.

## BACHELOR OF BUSINESS ADMINISTRATION (BBA)

BBA has earned an exceptional reputation with employers for producing graduates who cope with the challenges of today's business world, but excel in the opportunities they create. The college offers a wide range of industry related courses which have been designed to stimulate and challenge ambitious minds as well as prepare them for managerial and specialist roles with business and public sector. The BBA program will also equip one with effective communication, teamwork and leadership skills, and cross-cultural understanding.

# DEPARTMENT OF SCIENCE

Department of Science is envisioned with the objective of promoting new areas in Science & Technology and to inculcate the research culture in the young minds through S&T activities in the college.

## BACHELOR OF COMPUTER APPLICATIONS

BCA Integrated with  
**AI/ML**

BCA Integrated with  
**FSD**

BCA (Regular)

## BACHELOR OF SCIENCE

**B.Sc (EMCs)**

**B.Sc (PMCs)**

Electronics, Mathematics  
& Computer Science

Physics, Mathematics  
& Computer Science

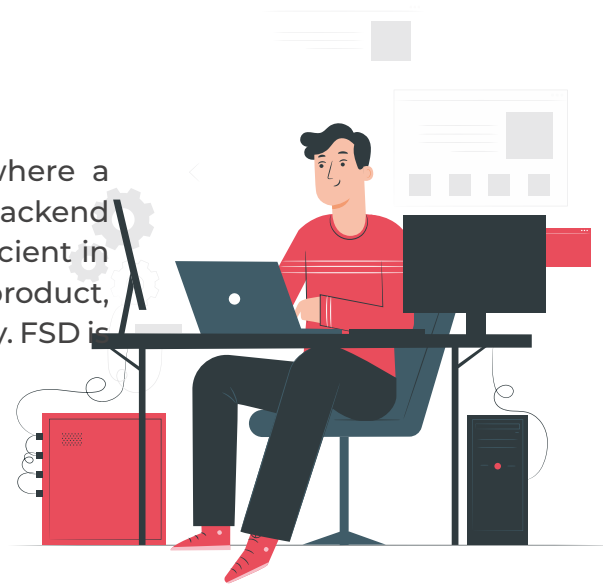

# ARTIFICIAL INTELLIGENCE & MACHINE LEARNING(BCA)

Bachelor of Computer Applications (BCA) with Specialisation in Artificial Intelligence and Machine Learning is a professional course that equips the students with all the necessary techniques needed to become a competent AI and ML expert. The course provides industry-recognized credentials and skills focused on latest technology and solutions across a variety of technical areas and would enhance employability skills of the candidates required for premium package career opportunities in renowned companies. This has led to an exponential growth in the adoption of AI/ML technologies in curriculum

## FULL STACK DEVELOPMENT (BCA)

Full Stack Development is a software profession/stream where a developer deals with both the Frontend (client-side) and Backend (server-side) of a tech product. A Full Stack Developer is proficient in several technologies that help in developing a robust tech product, and thus play a major role in making decisions for the company. FSD is one of the high-demand skill in the today's IT industry.

## BACHELOR OF SCIENCE B.Sc (EMCs) & B.Sc (PMCs)

BSc is one of the most popular courses opted by students who have a flair for scientific aptitude and zeal for research-oriented and calculative approaches based on a proven systematic method. Science is all about experimentation, research and discovery. A BSc degree is a culmination of both theoretical and practical ways of learning. Pursuing a BSc degree also opens up multiple avenues for a student and he/she can either opt for higher studies in Science or any other discipline which may be related or different from the subjects studied during graduation.

# **DEPARTMENT OF POSTGRADUATE**

**M.Com**

**MBA**

**MCA**

# MASTER OF COMMERCE

Master of Commerce is offered to the students who are interested to pursue their mastery in the field of commerce and reach a state of excellence in their domain. It is quite beneficial to the young and aspiring students to bag different positions and have a promising career in Multinational companies with a high paying job in the fields of Banking, Accounting, Auditing, Finance, Human Resource Management and Taxation to name a few. This course gives a big leap for those who would like to pursue the noble teaching profession in both, government and private colleges and also for those interested in taking up CA, CS & CMA as their profession.

# MASTER OF BUSINESS ADMINISTRATION

Master of Business Administration programme plays a pivotal role in building the Core Competencies of the students such that they transform into the Catalysts of the Socio-Economic progression of the country and the world at large, with much emphasis on global education and Mentorship towards Research and Innovation. NCMS also nurtures the Entrepreneurial spirit of the students, thereby producing not only the competent job seekers but also modelling the job givers who become the veritable game changers of tomorrow.

# MASTER OF COMPUTER APPLICATIONS\*

Master of Computer Applications (MCA) is a post-graduate program designed to meet the industry demand for qualified IT computer professionals working in application development and testing environment. The program is a unique blend of both theoretical and practical knowledge which endows MCA students with an opportunity to work with diverse tools meant to develop better and faster applications. The program focuses on ensuring that the students would be able to study, plan, design, develop and maintain domain-specific software applications.

# EDIFICE OF NCMS

NCMS is conscious and committed to the environmental issues with regard to protection, conservation and sustenance of natural resources. NCMS with NCET shares campus expanse of about 100 acres and is maintained as a mini biodiversity spot on the campus with its natural flora.

NCMS campus is Wi-Fi enabled with a high-speed internet connection to allow the students and faculties to access the internet no matter wherever they are. The coverage of WiFi is not only restricted to classrooms but also extends to all areas including library, auditorium, seminar hall, cafeteria and hostels. All the websites browsed by him/her are regularly monitored.

The library in the campus is fully automated and digitized. The library has huge number of books covering general knowledge to subject specific along with novels and autobiographies. Students and Faculties can avail the facility of Book Bank to borrow books.

The sprawling playground in the college provides ample scope for sports and games, both indoor and outdoor. The students actively participate in the Intra-Mural sports contests conducted for inter-house championship. For select games, professional coaching is provided for participation in intercollegiate, State and National level competitions. Hostel accommodation is available to both male and female students of the College in a beautiful and serene campus.

# CAREER AND OPTIMAL HIRES

The Training and Placement Cell helps students determine their educational and career goals, acquire career-oriented skills and attain desired employment. It trains them in group discussions, aptitude tests, numerical ability and technical facets, conducts mock interviews and organizes recruitment drives both on-campus and off-campus. These activities of the Cell ensure that the less than employable fresher who enters the college turns into a confident, employable candidate when he/she leaves the Institution.

## OUR KNOWLEDGE PARTNERS

# ACTIVITIES AFTER THE BELL

Students have opportunities to improve their leadership and interpersonal skills while also increasing their self-confidence. Extracurricular involvement allows students to link academic knowledge with practical experience, thereby leading to a better understanding of their own abilities, talents, and career goals.

Students of NCMS have a plethora of opportunities in which they can actively participate.

- **National Service Scheme (NSS)**
- **National Cadet Corps**
- **NCMS Rotaract Club**
- **NCMS Cultural Splendor**
- **Sports - Creating Sportsmanship in Students**
- **NCMS Kala Chaithanya**
- **Alekhyia- NCMS Art & Craft Forum**
- **NCMS- Photography Club**
- **Women Cell**
- **Green Cell**

# ACADEMIC CLUBS TO DARE AND DREAM

At NCMS with an educational mission to develop the "whole student", Academic Clubs are a key tool in this personal development. Working outside of the classroom with diverse groups of individuals allows students to gain more self-confidence, autonomy, and appreciation for others' differences and similarities.

- Institution Innovation Council (IIC)
