Brief write-up about the Programme:

The guest speaker was Mr. Karthik Vasudevan, a driven Chartered Accountant with 11 years of experience in four distinct companies' and multiple business finance like Swiss RE, AON, and EY. He was specialized in restructuring, finance project implementation, ERP migration, Pitch and Project handling and controlling were the main operational areas like GAAP bridging and multi- valuing. Mr. Karthik started the talk with an illustration to the make session more interactive. He presented a summary of the IND AS accounting standard to the students. He went into detailing on how to use Multi Valuation in IND AS later in his speech. In order to monitor the company's overall financial status, he emphasized the importance of account checkers and the necessity for accountability with regard to accounting fraud. Additionally, he gave information on the audit and taxation courses that are available. The guest's enthusiastic speech's epilogue was titled Big Dream.

Learning Outcome:

Aids the students in gaining practical experience with accounting programmes, which is important in today's business environment. Students understand that having practical experience with accounting will improve their professional skills and allow them to make better career decisions.
