Brief write up on the Programme: -

The workshop was conducted in order to give practical knowledge about the application of IND AS and IFRS. Akash was educated at St. Joseph's College of commerce, Bengaluru and the London School of Economics and Political Science, London. His enthusiasm towards real estate allows him to continue the legacy of his family and solidify the auditing practice where he focuses on real estate clients. His acumen towards establishing SOPs in an organization and working to delegate optimizing time and resources and provides real value. He is researching and developing this brand and plans to add 10 hostels in the next 4 years. He also unveiled the container student housing idea which was well received. Currently, he is working on financial feasibility of the same for implementation.

The resource person connected with the students on the topic through various practical examples and ensured the students on the fields where those examples could be applied and how those examples be related to the students.

Learning outcomes: -

By the end of the session the students were able to apply the standards into financial reporting practically
