Brief write up about the programme:

This orientation programme on New Education Policy 2020 was organized in the civil block seminar hall. The program was formally inaugurated by **Dr. Anandamma N, principal and the resource persons were Dr. Gowrisha and Dr. Padmavathi B.S.** The Resource persons described that NEP will encourage 21st Century Skills in the Classroom like- Critical thinking, Digital Literacy, Scientific Temperament and Social Responsibility. NEP incorporates the professional development of teachers by providing specified number of trainings over an academic year. An approach of skill-based learning from an early foundation level of academics will help learners identify skill sets much earlier thereby empowering students to be future ready.

Learning outcome:

The workshop successively achieved its objectives by brining awareness and understanding the newly launched national education Policy 2020 among the faculties.

- The session gave a base for the teaching, research and allied business administration.
- The session was very informative, it gave information on reforms and it aims to bring about changes in Indian learning.
