

## STUDENT FEEDBACK 2021-22 ACTION TAKEN REPORT (2021-22)

SL. NO	FEEDBACK RECEIVED	ACTION TAKEN
1	To have interaction with industry experts.	Collaboration with industrial experts leading the students to understand the current trends and build skills required for it including a interdisciplinary approach was taken in order to achieve wholesome experiences of learning.
2	Requested for more value added courses as per current requirement.	Analyzed the current job market and industry trends to identify relevant value-added courses that align with the students' interests / career aspirations. Partner with industry experts/professional to design courses that offer practical skills and insights valued by employers.
3	Seeks encouragement from faculties towards extracurricular activities.	Proposal is been given to frame student centric policies and instructions are given to faculties to motivate students for extracurricular activities.
