Minutes of the meeting

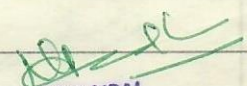

The Committee met on 20/02/2018 to discuss on the matter to provide equal opportunities to all students to expose their talents in both Academic and Non-Academic events.

Some members of the Committee brought to our notice that in many of the events there were few students who were part-taking in all events. So there was a suggestion to bring in more students on stage and in the Academic events.

There was a Drastic change noticed during the cultural and sports week that there were many new entries to part-take in the events.

That was Appreciated by the Principal and the Committee members.
